Evangelical Lutheran Church Dedication Set for Next Two Sundays

Services in Morning, Afternoon to Have Guest Speakers Aug. 21-28

The new Faith Evangelical Lutheran church will be dedicated in services both on Sunday, Sept. 21 and Sunday, Sept. 28.

There will be two services each Sunday, one at 9 a. m. and 3 p. m. Pastor William Lehmann of Libertyville will speak at the morning service next Sunday and Pastor Elton Huebner of Milwaukee will be the guest speaker at the afternoon service that day. Dr. T. M. Otto will be the guest organist.

On the following Sunday, Aug. 28, Pastor Karl J. Otto of Wauwatosa, Wis., will be the guest speaker at 3 p. m. and the local pastor, R. P. Otto, will be the 9 a. m. speaker. The ladies of the church will serve dinner on both Sundays between services.

The new house of worship is on the east side of Rte. 83-21 at Antioch's south village limits.

Costing approximately \$85,000 the building is of modern styling and has a seating capacity of 200.

Elmer Rentner is chairman of the building committee and Donald Holum is president of the congregation. Over a period of several years since its organization the church has been holding services in the American Legion building.

First Call for Football Requires Physicals of A. T. H. S. Candidates

Approximately 60 letters were sent out this week by Head Coach Paul Kessenich to Antioch Township High School's prospective sophomore and varsity football candidates.

The letter notified them to arrange for appointment by telephone at once with the Antioch before or during the week of Aug. 22-27. Health cards will be there and those who want the examination conducted by their own doctor may pick up the health card there first.

Health cards are absolutely necessary before the student may engage in competitive athletics. Coach Kessenich said. He asked that the same information be passed along to freshmen who plan to play freshman football.

After obtaining their examinations and certified health card the candidates may obtain equipment any evening or on Saturday evening from 6 to 7 p. m. at the school. This applies to freshmen, too.

Football practice will start August 29 and there will be two practices each day with attendance necessary at both sessions.

John Sherbet Survives Normally Fatal Injury Returns to TV Store

John Sherbet, partner of Jack Sieb in the Courthouse TV store at Nielsen's Corner was back at his store yesterday after an absence of four weeks and is glad he is alive.

A month ago while diving at Columbia Bay at Fox Lake his head struck a submerged piling breaking all of the bones in his neck. He was taken to Victory Memorial hospital for care and released last week. He has his head and neck in a plaster cast which he must wear for the next six months or more until the bones knit.

Recovery by Sherbet is remarkable. It is said that no more than four persons have received his injury and lived. He has lost 38 pounds in weight, having reduced from 180 pounds to 122 pounds as the result of the accident.

Herman Newman, 69, Buried Saturday

Herman Newman, 69, of Lake Marie, Antioch, died Thursday, August 11, at 9 a. m. at his home. He was born September 20, 1886 in Edmonton, Canada, and came to America in 1922, settling in Chicago, moving to Antioch 30 years ago and was employed as a sheet metal worker.

Survivors are a son, William, Seattle, Wash., two brothers, Fred and Christ, both of Canada; three sisters, Mrs. Rosie Wells, Mrs. Lina Kallish both of Canada, and Mrs. Matilda Blech of Antioch.

Funeral services were held Saturday, Aug. 13 at the Strang Funeral home with the Rev. Kenneth Plummer of the Lake Villa Community church officiating. Interment was in Wilmet cemetery.

Turnabout For A Crippler

Antioch Schools Trade Teachers; Willrett and Good Change Positions

Faculty at High School Is Complete With One Exception

Beginning of schools in Antioch this year will see Stuart Good, formerly of the Grade School faculty instructing Industrial Arts at Antioch Township high instead of teaching at the Grade school, and Robert Willrett, former member of the high school faculty teaching science at the Grade school. The exchange of teachers was worked out this week in order to provide the high school with an additional industrial arts instructor and coach, and to provide the grade school with a needed science teacher.

The high school faculty is now complete with the exception of the vacancy left in the science department by the exchange, but Principal Albert Dittman said today that arrangements have been made to secure a replacement, and that although details were not complete it is assured that the school year at Antioch Township high will begin with a full complement of teachers.

Other new teachers at the high school are Daniel Cahill who will teach English; Robert Heath who will coach and teach in the Business Education department.

Daniel Cahill received his bachelor and master degrees from Loyola University. The master of arts degree was granted in 1954. Mr. Cahill's practice teaching was done at St. Phillip High school in Chicago. He served in the U. S. Army from 1953 to 1955.

Robert Heath is a 1955 graduate of Northern Illinois State Teachers college. Mr. Heath will assist head Football Coach Paul Kessenich as sophomore football mentor. Mr. Heath's practice teaching was done at DeKalb Township High school. He is a veteran with four years service with the United States Air Force.

Stuart Good has taught five years in the Antioch Grade School after graduating from Illinois State Normal University. Mr. Good will teach Industrial Arts which has been his major field of preparation. He will coach freshman basketball.

Bernice M. Carlson, 36, Dies at Home of Parents

Mrs. Bernice M. Carlson, 36, 7th Avenue, Deep Lake, Ill., died Monday at 12:10 p. m. following a lingering illness. She was born Nov. 9, 1919 at Duluth, Minn.; living in Arizona and Chicago before coming to Lake Villa in 1951.

Survivors are her husband Paul R. Carlson and four daughters, Lynn, Joy, Kay and Val, her parents, Bert and Mary Thompe, Deep Lake, a brother William Thompe, and a sister, Mrs. Nancy Hamlander, Park Ridge.

Funeral services were held today (Thursday) at 1 p. m. at the Strang Funeral home with the Rev. Glen Forsman of the Baptist Conference Grand Chapel, officiating. Interment was in Ridgewood cemetery, Des Plaines.

Which Way, Depot Street Village board members held an impromptu meeting at noon Tuesday with Frank Powles and Charles N. Ackerman present in a discussion of the proposed extension of Depot street west of Main street. An attempt is being made to determine the course of the street which crosses property owned by the two men.

Bowlers Plan Meetings for Organization and Competit'n Scheduling

Bowlers who are getting the urge to topple the pins again in league competition will prepare for their season at the Antioch Recreation through meetings scheduled for next week.

First to meet will be the Mink league which will hold its session at 8:30 p. m. Monday at the bowling alley.

The meetings are scheduled for Tuesday, Aug. 23. The Tuesday Ladies' Handicap league will meet at 8:30 p. m. (DST) at Pasadena Gardens in neighboring Wisconsin, and the Major Gutter Ball Girls will meet at 7:30 p. m. at the Antioch Recreation. There are several openings on teams in this league.

The Wednesday Night Business Men's league will meet at 8 p. m. at the alleys on Wednesday, Aug. 24 and the Thursday Business Men's league will meet at 8 p. m. Thursday, Aug. 25. The Thursday league will open the bowling season on Sept. 8, and all other leagues will bowl the following week.

The Friday Ladies' Handicap league will meet at the bowling alleys at 7:30 p. m. on Wednesday, Aug. 24, and the Antioch Major Men's league that bowls also on Friday night will have its meeting at 8 p. m., Friday, Aug. 26 at the alleys.

The Ladies' Friday Night Handicap league is expanding from a 10 to a 12 team league this year and this will provide openings for girls on some teams. Anyone interested in joining may attend the meeting next Wednesday or call Thelma Keulman, secretary, at Antioch 248. Questions or applications for membership in other leagues may be directed to the Antioch Recreation on Rte. 173.

William Mueller, 61 Found Dead at Home; Funeral on Friday

William Mueller, 61, a resident of Rena ave., Beachwood subdivision, Petite Lake, was found dead at his home the result of a heart attack. Death probably occurred Monday, but he was not found until Tuesday.

Mr. Mueller lived alone in his home. Neighbors failed to see him about at his home and Henry Ridener of Chicago investigated, discovering the body.

Born Sept. 2, 1893 in Chicago, Mr. Mueller lived in that city until seven years ago when he moved to Petite Lake. He is survived by the wife Agnes, and a son, William, both living in Chicago.

The funeral service will be held at 1 p. m. tomorrow at the Strang Funeral home with the Rev. Edmond Houd in charge. Burial will be in Waldheim cemetery, Forest Park. Friends may call after 7 p. m. today.

Funeral Service for Margaret L. Owen Wed.

Margaret L. Owen, eleven month old daughter of Russell and Dorothy Owen of Trevor, Wis., died Sunday at St. Therese hospital, Waukegan, following a lingering illness.

Margaret was born August 27, 1954 at Waukegan. Survivors are her parents and two brothers, Stephen and Thomas, and a sister, Mary, all of Trevor, and her grandfather Percy T. Owen of Escanaba, Mich.

Private services were held Wednesday at Holy Name cemetery, Wilmet, Wis.

Emmons School Dist. to Vote on Bond Issue and Educational Tax

Referendum Sept. 17 Will Seek \$75,000 for Addition to Building

Voters of the Emmons Grade School District No. 33 will be asked to approve construction of an addition to the school building through a \$75,000 bond issue at a referendum set for Saturday afternoon, Sept. 17. Voting will be from noon to 7 p. m. at the school.

The board at a meeting Tuesday evening decided that this is the best solution to the problem of providing classroom for the rapidly growing school.

The bond issue will mean an increase in the tax rate for building from 10 cents to 18.75 cents on the \$100 assessed valuation.

In addition the electors will vote on the proposal to increase the educational tax from 40 cents to 61 cents on the \$100 to pay the salaries of additional teachers.

Help was given the board in figuring the amounts needed by James Rust, secretary of the Lake County Civic League and it is probable that the league will recommend to the voters that the measures all be approved.

The board in estimating costs took into consideration the general plan for an addition submitted to the people in a mass meeting recently and which received a four to one sanction in a secret vote.

Drawings submitted by the architect firm of Ekstrand, Schad and West of Waukegan suggested an addition with two rooms for classes above ground and an all-purpose room partly below ground which could be converted into classrooms as needed. These plans could be changed by the board as desired.

Emmons school situated on Beach Grove rd. at Rte. 59, is a one-room school with a basement that was also used as a classroom after the building became overcrowded. Seventh and eighth grade pupils were sent to Antioch Grade school.

Twins Lakes Men Care For Hurt Motorcyclist

The Antioch Rescue squad was called to Wilmet Dam Sunday afternoon to care for a motorcyclist who was injured in a collision with a car but found on arrival that the Twin Lakes squad already had started for Kenosha with him.

The motorcyclist was Richard Schmidt, 18, of 6412 20th ave., Kenosha, who skidded 84 feet before crashing into the car of David H. Fergus, 42, Racine. Schmidt had a groin injury and Fergus was unhurt.

Three Car Crash at Deep Lake Rd-173 Injures Local Woman

Mrs. Virginia Burton received a neck injury Sunday evening when the truck her husband was driving was struck by a car driven by Gerry Brown of Zion and knocked into the truck of Alex Delke at Rte. 173 and Deep Lake rd. Burton operates a tin shop at Rte. 45 and Rte. 173. The Burtons had stopped while Delke was making a turn and Brown who suddenly came up over the hill skidded into them and shoved them into Delke's truck.

The Antioch Rescue squad brought Mrs. Burton to a local physician for examination, and it was said that the muscles of her neck were hurt.

Village Board to Save Coat Through Purchase Of New Drafting Board

When Mayor James McMillen was told in a recent village board meeting that it would cost \$500 to have maps prepared for the village in its attempts to obtain an interim census he protested the cost.

Then he told the board he would make the maps himself at no cost to the village if it would purchase a drafting board and equipment. Four hundred dollars was appropriated for the equipment and the mayor was authorized to buy it.

This was done, the purchase made and the maps soon will be produced at a saving to the village. Then the equipment will be available for further use at further savings. McMillen is a trained engineer.

The village has no salaried engineer but contracts with Charles Miller of Great Lakes on special jobs.

Boy Catches Large Bass

Billy Greenwald, aged 9, caught a 5 1/2 pound bass recently at Rock lake. The young fisherman caught the prize fish while still fishing off the pier of his grandparents, Mr. and Mrs. Max Heep.

First Annual Open-air Sacred Concert to be Given by Community Band and Chorus at Bandstand Sunday Evening

Twp. Collector Horan Turns \$156,500 Over To Schools, Library

Antioch Township Collector John L. Horan has banked to date more than \$250,000 from collection of taxes and has paid to various bodies \$156,500 to provide for their present needs in view of late collections.

Schools received the greater portion and \$154,000 was paid to Helen Nelson, district treasurer in the following amounts:

Emmons, \$4,000; Antioch Grade School, \$50,000; Channel Lake school, \$5,000; Grass Lake school, \$10,000; and Antioch High school, \$80,000. To Helen Scott, treasurer of the library, was paid \$2,500.

The library was in need of money because of the \$300 expense of a sewer, and the high school, operating on anticipation warrants for some time, needed money to retire the warrants.

Because the village treasury is in good shape and no money is needed now, no payment was made at this time to that body. Nothing was paid at this time to Hickory School district which last year got \$3,357.88.

Last year Emmons got \$8,652.29; Antioch Grade School, \$89,698.38; Channel Lake school, \$19,548.24; Grass Lake school, \$22,169.95; Antioch Township High School, \$137,132.12; and the township library \$5,260.17.

Mrs. Mary Jane Shields Wadsworth Merchant, To Be Buried Saturday

Mrs. Mary Jane Shields, widow of the late Isaac S. Shields, Wadsworth merchant, died at her home in that village at 4 a. m. Tuesday.

She had been the newspaper dealer for the Wadsworth community for 40 years, operating a confectionery store for 45 years.

Born in October 1873 in Buckinghamshire, England, Mrs. Shields was brought to the United States when she was 15 months old. She married Isaac Shields in 1898 and he operated a meat market for many years. His death occurred in 1928.

She was the mother of Newport Township Republican Chairman Lester H. Shields, of Earl V. Shields, Chicago, and Grace V. Shields, Wadsworth. There are five grandchildren and 13 great grandchildren.

Two sisters, Mrs. Sarah Murriss of Winnetka and Mrs. Katherine Sherwood of Lake Villa; and five brothers, William G. Cashmore of Mondovi, Wis.; Charles H., Fred J. and George Cashmore of Wadsworth; and Arthur Cashmore of Wauconda, survive.

Funeral service will be held at 2 p. m. Saturday at the home with the Rev. Lloyd Ogilvie of Gurnee officiating and Strang serving as mortician. Burial will be in the Millburn cemetery. Friends may call this evening.

Wadsworth Rodeo Kids To Perform at Gurnee Next Sunday Afternoon

The Wadsworth Kid Rodeo troupe will give a repeat performance of its fine show at 2:30 p. m. Sunday at the Viking field, Grand ave., at High School rd. in Gurnee.

This is the show that has attracted so much attention throughout the Chicago area in the last few years because of the fine skill with which the young grade and high school age boys and girls handle their own horses.

There will be a nominal charge and the gate receipts will go to the polo fund.

Retarded Children's Educational Society Plans Drive for Funds

The Lake County Society for Retarded Children planned the annual drive for funds with which to carry out the work of the society, at a meeting held last Thursday in Waukegan. In the absence of President Arthur Leppen, Julius Hoppe, vice president, conducted the meeting.

The 1955-56 budget, approved by the group, provides for a new class in Libertyville, provided that classroom space for the mentally retarded children can be found in the area.

If suitable classroom space cannot be found the children will be taken daily to the classrooms which are maintained in Zion and Waukegan.

Public Program at 7 O'clock to Observe Sacred Music Day Proclaimed for Community

Louis Chenette, Chas. Watson Are Group Directors, Dick Kaufmann Soloist

Antioch's first open air sacred concert will be given by the Community band and the Community chorus at 7 p. m. Sunday at the band stand, Broadway at Orchard street.

Dedicated to the "glory of God," the concert to which everybody is invited is destined to be an annual event.

Churches in the community are cooperating to make this Sacred Music Day a success.

The Community choir led by Charles Watson, will sing three special numbers: "America the Beautiful," "God So Loved the World," and "Now the Day Is Over." Dick Kaufmann will be soloist and Mrs. William Dow will be accompanist.

The program will open with the National Anthem with band accompaniment. Dr. C. P. Midgley will give the opening prayer.

The first band selection will be "God of Our Fathers," followed by the overture, "The Crusaders," directed by Bandmaster Louis Chenette.

A hymn, "The Church's One Foundation," will be the next number, after which Kaufmann will sing a solo, accompanied at the piano by Mrs. Dow.

The band's selection, a medley overture will comprise Billy Sunday's Successful Songs.

The three special numbers by the choir appear next on the program and they will be followed by "Psalms, Angelicus," "Hymn Selections" and "Songs of Faith," played by the band.

The program will close with a prayer by the Rev. Edmund Houd.

Curnes and Horwitz Drainage Dispute Is Problem To Antioch

The village board sat in special session last night in discussion of a three-way problem, concerning drainage.

W. H. Curnes of Depot st., owner of land on North ave., is complaining that Max Horwitz, subdivider of Oakwood Knolls, is channeling water of flood proportions along the south side of North ave. onto his land.

He demands that Horwitz carry the water through his property with a 30-inch tile which would cost in the neighborhood of \$25,000.

Horwitz denies his responsibility, but says he will provide an open ditch at a probable cost of \$2,000, but will not put in a tile. The dispute seems headed for the courts.

The village refused to issue building permits to Horwitz as long as the trouble between him and Curnes exists because of the possibility of being drawn into the case. Village trustees said they gave Horwitz permission to drain only a certain portion of natural flow onto Curnes' land, but denied giving the real estate man privilege to drain the entire subdivision which he has done through a 24-inch tile crossing North ave.

Horwitz is proposing to protect the village through a two-year bond to get permission to continue selling lots in his new unit on the west.

Village Atty. Edward Jacobs said the village may have to bear a portion of the expense of any tiling because of its responsibility for the public service portion of the improvement.

Another meeting is scheduled on the matter.

Waukegan Lions Stage Water Follies Show

As part of a promotion to construct a swimming pool, reported to be planned to cost \$180,000, the Waukegan Lions club will sponsor the world-famous Water Follies of 1955, one of America's most novel and exciting water shows, to make a three day appearance at Weiss Field Thursday, Friday and Saturday, August 25 to 27.

Presenting a new form of entertainment, the show is the nation's only travelling aquatic. A complete musical revue in water and on stage, the two-hour show is presented in the world's largest portable pools and stage. The pool is 175 feet long and contains 80,000 gallons of water.

No Place for Monopoly

The production of atomic weapons is a job for the government. But when it comes to putting the atom to work to serve the arts of peace, private enterprise must enter the picture.

Right now private enterprise is building the first commercial scale atomic-electric plant. Proposals for four other plants have been presented by private enterprise to the Atomic Energy Commission. These are pioneering steps, and initially the power will probably be expensive to make. But it will be sold at regular rates. The electric industry expects to learn from such experiments how to build more economical and efficient atomic-electric projects for the future.

There are those who want a government monopoly of the atom—in electric power production and everything else. That attitude is not shared by the men in top policy-making governmental positions. Actually, the surest way to prevent progress is to have a monopoly, governmental or otherwise, of anything. The more minds and more resources we can devote to any problem, the sooner it will be solved. The element of competition comes into this too—monopolists can afford to take things easy. Men who work under competitive conditions can't.

No one knows how soon atomic power will be practical on a really big scale. But private enterprise can be counted on to bring it about in the shortest possible time.

Geared to the Job

Sweeping changes have been taking place in our eating habits. Foods which require a minimum of handling and preparation in the home, and thus save the housewife time and labor, are becoming more and more popular.

The trend includes meat, along with other foods. According to the head of the American Meat Institute, about three-fourths of our bacon reaches the

consumer in sliced form. Nearly an eighth of all our meat production is made more convenient for consumers by canning. Packaging is increasing and so is freezing. A recent and popular development consists of frozen dishes made with meat which require only brief heating prior to serving.

The Institute spokesman also touched on the meat supply situation. It's a good one, from the consumer point of view. In the foreseeable future, meat will be plentiful, barring occasional short-term fluctuations which are beyond anyone's control. This year's meat production is expected to be the largest on record.

The price situation is also favorable. As an example, the prices of most pork cuts are 8 to 27 per cent lower at wholesale than they were last summer. And supplies are 15 per cent greater.

We're a nation of confirmed meat eaters. With our population increasing at the giddy rate of 11,500 each day, demand will soar as the years go by. It's fortunate that we have a vigorous, highly competitive meat industry geared to that big job.

The Low Down From Hickory Grove

Instead of being small potatoes like it was 10 or 15 years ago, natural gas is now some pumpkins—25 millions customers for natural gas now warm their shins via gas. So this new idea of slapping on Federal controls, is tinkering that could turn out to be unhappy for many.

Up to now it has been open season for anybody with enough mazuma to own a drilling rig to drill a hole in the ground in the hopes of hittin' oil or gas. Oil and gas are close associates. Competition between a raft of little and big producers has kept the prices at a level that has encouraged 25 million to adopt the new fuel.

But now, after many years, comes a court ruling saying the Federal Govt. should take a hand in price-fixing—have a finger in the pie. So now it is necessary to get the matter cleared up before bad luck catches up with gas. Congress is workin' on it.

I agree with this old Texas Democrat Sam Rayburn—the Speaker of the House—this seasoned old Longhorn says a lot in a few words. He says, "If Federal controls continue we'll have less and less gas which will bring an increase in the price to the consumer." There it is in a Texas nutshell. And Mr. Ike and Mr. Sam being in full agreement, we can have hope.

Yours with the low down,
JO SERRA

LAKE VILLA

Mr. and Mrs. J. Clement of La Salle visited Mr. and Mrs. Henry Nader and other friends here over the week end.

Mr. and Mrs. James Connell left Monday on a motor trip to New York to be gone two or three weeks.

The Fish and Wallace families held their annual family picnic last Sunday at Little Sand lake on Grand avenue, and more than 40 relatives gathered from Lake Villa, Waukegan, Mundelein, Gurnee, Algonquin, Grayslake and one family from Florida for the picnic dinner and pleasant outing.

Splendid weather brought out good crowds for the annual carnival which the local fire department sponsors every summer and proceeds were very gratifying.

Major William Walker of U. S. Army Air Force stationed at Greenville, Miss., and his wife and two sons came Sunday to visit his parents, Mr. and Mrs. William Walker at Maple Row Farm for a week or so.

Mr. and Mrs. Lester Bunkelman had as guests last week Mrs. Bunkelman's sister, Mrs. Carlin and daughter, Susie, also her niece, Mary Brazier, all of Fond du Lac, Wis.

John Hamlin, son of Mr. and Mrs. Lester Hamlin is a patient at Con-dell hospital with a fractured wrist suffered in a fall from a slide at Lehmann park, where preparations for the carnival were going on last week.

Mrs. Henry Nader visited her niece in Milwaukee last week for a few days.

Mr. and Mrs. Alfred Hanson and their daughter, Avis MacDonald and children left last week to visit the New England states and Canada for two weeks.

Mr. and Mrs. Paul Avery, Sr., also Mr. and Mrs. Eugene Sheehan of Antioch and Mr. and Mrs. Gene Barth, also of Antioch, were at Minonk, Ill., last Friday to attend funeral services for Mr. Barth's mother, Mrs. Carl Barth. Mr. and Mrs. Gene Barth went down Tuesday and came home Sunday.

Mr. and Mrs. Harry Weber and sons visited Mrs. Weber's brother, Clarence Bennecke and wife in Ashland, Wis., last week and also spent some time at the Dells.

Mr. and Mrs. James Ward of Fond du Lac, Wis., spent the week end with Mrs. Nader's parents, Mr. and Mrs. Lester Bunkelman.

Mr. and Mrs. Charles Bennecke, Jr., and daughter, Thory, of Coral Gables, Fla., spent from Sunday last week, Aug. 7, to Thursday with his parents, Mr. and Mrs. Charles Bunkelman, Sr., and also visited Mrs. Bennecke's sisters in Chicago. Mrs. Bennecke's grandmother, Mrs. Daisy Riney who lived here for several years, and is now at Coral Gables, is very well.

Mrs. Mildred Vander Pyl is a medical patient at Victory Memorial hospital.

The Lake Villa Woman's club officers held a business meeting at the Eleanor Holvey home at Cedar lake on Thursday evening, Aug. 11. Mrs. Ethel Wood who has been a housemother at the Allendale school for boys for many years and

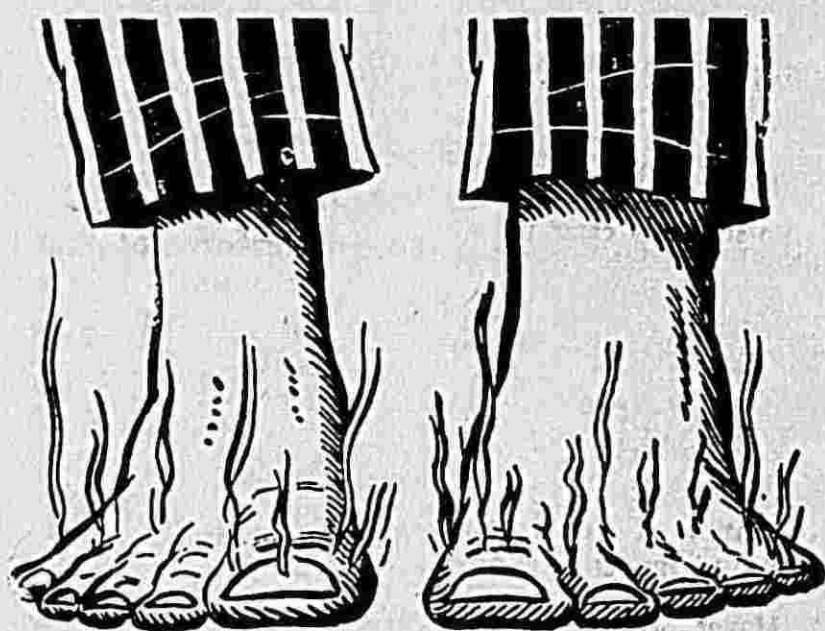

whose husband, Frank Wood, now deceased, was manager of the print shop there for many years, has resigned and will live with her sister in Evanston. She was guest of Mrs. Marie Hamlin early last week for the Royal Neighbor meeting on Tuesday evening and attended the R. N. A. party on Wednesday afternoon.

Mrs. Marie Hamlin, Mrs. Georgia Avery, Mrs. Lulu Boehm, Mrs. Cora Hamlin and Mrs. Lulu Nelson of Lawrenceville who is visiting her daughter, Mrs. Carl Ekdahl, also Mrs. Jos. Pdeviak were luncheon guests of Mrs. Mayme Kapple at her home last Thursday afternoon.

Mrs. Virginia Smith has returned to her home at Buena Park after a visit at the home of her niece, Mrs. Kenneth McNamara at Portage, Wis.

THE SALAD BAR LUNCHEON COMMITTEE OF ST. PETER'S ALTAR AND ROSARY SOCIETY WANT TO THANK EACH AND EVERY ONE WHO CONTRIBUTED IN MAKING THE PARTY ON WED., AUG. 10TH SUCH A WONDERFUL SUCCESS.

MILLBURN

Regular services at Millburn Congregational church Aug. 21 include Sunday School at 9:45 a. m. and church services at 11 a. m. The Rev. Clifton Speer of Crooked Lake will have charge of the service.

The Millburn Maidens 4-H club had their eleventh meeting. The president, Judy Paulsen, presided. During the meeting plans were discussed for the Achievement Day program which will be held at the Millburn church Aug. 29, at 8 p. m. Sandra Stephens of the Millburn Maidens 4-H club left Wednesday to attend the Illinois State fair at Springfield, as a member of the Home Economics Food Demonstration team.

Mr. and Mrs. Thomas Harness returned Friday from vacationing in Fremont, Wis., and in Canada. They also visited Mrs. Harness' brother and wife, Mr. and Mrs. Glen Nelson at Sioux City, Iowa.

Mrs. Evelyn Ritter and son, Richard of South Bend, Ind., spent several days at the C. P. Weber home. The Study group met at the home of Mrs. Verlon Groves last Thursday morning with eleven ladies present. The next meeting will be at the home of Mrs. Carl Anderson Thursday morning at 9 a. m., Aug. 25.

Mr. and Mrs. W. C. Upton and Mr. and Mrs. Robert Denman and three children drove to Michigan Saturday to attend the annual picnic and reunion of Upton relatives Sunday near Cold Water, Mich. They returned home Monday.

Oscar Reyes of San Salvador, El Salvador, Central America, was a dinner and supper guest of Richard Martin. Other guests for supper were Mrs. Sophrona Murrie, Mrs. Vera Zimmerman and Phil Anderson.

Mr. and Mrs. C. P. Weber are announcing the arrival of their fourth grandchild, Dean Robert Weber, Jr., son of Mr. and Mrs. Dean Weber born Aug. 14 at Endicot, N. Y.

Rebecca Anderson spent the past week at the home of her uncle, Dr. W. G. Bauman at Barrington. Mrs. Myrtle Savage and Miss Josie Mann were supper guests at the Gordon Bonner home at Hickory Wednesday evening.

Mr. and Mrs. James Bonner and children of Kansasville, Wis., spent Sunday afternoon at the Harley Clark home.

Mr. and Mrs. Robert Erwin of Waukegan were callers at the Frank Edwards home Sunday afternoon.

Mr. and Mrs. George DeYoung entertained at a picnic supper for their son Bobby's fifth birthday on Aug. 11. Guests were Mr. and Mrs. Oscar Neahous, Mr. and Mrs. Chris DeYoung, Mr. and Mrs. Frank DeYoung, Mr. and Mrs. Don Truax and daughter Donna, Mrs. Charles Timmerman and daughter Marie and Mrs. Bert Davis.

The Lamplighter

My tea is nearly ready and the sun
has left the sky.

It's time to take the window to see

Leerie going by;

For every night at teatime and before

you take your seat,

With lantern and with ladder he

comes posting up the street.

Now Tom would be a driver and

Maria go to sea,

And my papa's a banker and as rich
as he can be;

But I, when I am stronger and can
choose what I'm to do,

O Leerie, I'll go round at night

and light the lamps with you!

For we are very lucky, with a lamp
before the door,

And Leerie stops to light it as he
lights so many more;

And O before you hurry by with
ladder and with light,

O Leerie, see a little child and
nod to him tonight!

Robert Louis Stevenson

"O Leerie, I'll Go Round at Night and Light the Lamps with You . . ."

Following the introduction of gas lighting in Ottawa, Illinois, in 1855, the era of the village lamplighter came to many of the towns now served by the Northern Illinois Gas Company. In those days many youngsters like the one Robert Louis Stevenson wrote about undoubtedly had childish admiration for the local "Leerie". Those, too, were the days of man-sized beards and of dainty bonnets, "sweep-the-floor" calicoes . . . days when the rumble of buckboards and carriages could be heard on the rutted streets. There also must have been lively conversation about the new "gas plant". "It probably will never be practical. Gas for street lighting, for home lighting. Impossible." It's been a hundred years now and those who envisioned the practical use of gas were right. The homemaker of today enjoys fast, clean, economical cooking with gas—speedy, low-cost water heating—silent trouble-free refrigeration and the many other convenient services gas performs. Today, the more than half a million homes and industries we serve in northern Illinois use gas in a myriad of ways never dreamed of a century ago.

"OLD RELIABLE" INTO A FLASH OF FIRE!

Great Features back up Chevrolet Performance: Anti-Dive Braking—Ball-Race Steering—Outtrigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices in all models.

Take a drive in the new Chevrolet
and see how new the new Chevrolet really is.
We can almost guarantee that when you try it,
you'll think you're driving a car costing
twice as much. "Old Reliable" is red hot.

We wager that the first thing you'll say when you drive the new Chevrolet is: "Who changed 'Old Reliable' into a flash of fire?"

For years and years, Chevrolet has given you those qualities of materials and workmanship that make it the best investment in its field... and now added to all that is *stunning performance!*

Proof? You bet. In official NASCAR* Trials Chevrolet out-accelerated all low and medium-priced cars and every high-priced car but one!

Yes, sir! Flash of fire! That's why we ask you to try Chevrolet before you buy any car.

Tips on Traffic Safety

By
CHARLES F. CARPENTIER
Secretary of State

Motorists should always use "caution" as their by-word when behind the wheel of an auto. This is especially true at night when the responsibilities of a driver are multiplied.

More persons are killed or injured in traffic accidents at night than during the busier daytime period.

On the open road, speeds should be reduced by at least ten miles

per hour as compared to safe daytime speeds. In town, too, lower speeds should be used. Drivers should be especially cautious when approaching intersections where there is little or no lighting.

On the open road the driver must be prepared for the numerous emergencies which become doubly dangerous when night falls.

The city driver must be ever aware of the tasks which present difficulties during the daytime and which become more serious obligations at night, such as motorists and pedestrians crossing intersections against traffic signals, cars suddenly pulling into traffic from parked positions, and jay walkers.

Remember, always exercise caution when driving, but be particularly cautious when operating a vehicle at night.

A copy of the completely new "Rules of the Road" booklet will be sent to you free upon request. Write to CHARLES F. CARPENTIER, Secretary of State, Springfield, Illinois.

HICKORY

Mr. and Mrs. A. Dettmering and daughter, Judy, left last week on a vacation trip to the Black Hills and Yellowstone National Park.

Mr. and Mrs. Howard Wells and family from Hammond, Ind., visited the Curtis Wells family, also the Schedek family in Kenosha over the week end.

Mr. and Mrs. Bob Sabin of Chicago and Mr. and Mrs. John Richter of Waukegan visited their cousin, Mrs. Will Welch Sunday afternoon.

Mrs. Dora Bownette of Gurnee spent the week end with her niece Mrs. Wilson King and family.

Mr. and Mrs. Ray Harner of North Chicago and Mrs. Chris Cook and Mrs. Dick Bray of Waukegan called at Will Thompson's home Tuesday evening, Aug. 2.

Mrs. William Richards is visiting her daughter and family in Iowa, this week.

William Welch and daughter, Norma, drove to Madison, Wis., on Sunday and visited the Warren Welch family. Little Alex Welch returned home with them for a visit with her grandparents, the William Welch's.

SOCIETY EVENTS

Miss Pedersen Is Wed At Church Rites

The marriage of Alyce Pedersen, daughter of Mrs. Alfred J. Pedersen, 492 Lake street, Antioch, to Thomas B. Dunkin, son of Mr. and Mrs. M. C. Dunkin, 2701 West Alsie, Chicago, was performed August 7 at St. Peter's church, Antioch.

The Rev. F. J. Johnson officiated at the double ring ceremony.

Given in marriage by her brother Alfred P. Peterson, the bride chose for her wedding a princess gown of lace over satin, the sculptured bodice, fashioned on illusion yoke, with appliqued neckline, long tapered sleeves, lace front panel centered her bouffant tulle skirt that fell into a chapel train. Her head piece of matching satin trimmed with pearls held her fingertip illusion veil. She carried a cascade bouquet of orchids, carnations and stephanotis.

Mrs. William H. Herbert, Jr., served as matron of honor. She wore a Nile green waltz length gown, her flowers were carnations. Mrs. Bruce Dalgard and Mrs. Winsor Dalgard served as their sister's bridesmaids. They wore waltz length orchid crystallette gowns, and their flowers were orchid carnations. Cindee Pedersen as flower girl wore a gown of Nile green net over satin and carried a colonial bouquet. Jimmie Dalgard was ring bearer. Dick Hahn served as best man and Robert Pedersen and Dick Fairfield were ushers.

A reception for 250 guests was held following the ceremony at the Swedish Glee Club, Waukegan. The newlyweds left for a honeymoon trip to Lake Louise, Canada, and Yellowstone National Park.

Mr. Dunkin is employed by the International Harvester company and the newlyweds plan to make their home at Rochelle, Illinois.

Legion and Auxiliary to Install Officers in Joint Meeting Tonight

Officers of the Antioch American Legion and its auxiliary will be installed this evening in a joint service.

Heading the men's organization this year will be John W. Horan, son of the past commander, John L. Horan. Cmdr. Horan served in the air corps 33 months, of which 28 months were spent over seas as a sergeant mechanic. He is married and has two sons.

His staff will comprise: William V. Lahti, senior vice commander; Frank Gratke, junior vice commander; Benjamin F. Miller, finance officer; Edward Dockery, chaplain; William R. Vos, sergeant at arms; Gordon E. Wald, adjutant; Hans Holgard, Bogardus officer.

The Auxiliary officers will be: Mrs. Burt Anderson, president; Mrs. Richard Carlucci, first vice-president; Mrs. Earl Horton, second vice-president; Mrs. Anton Johnson, treasurer; Mrs. John L. Horan, secretary; Mrs. Walter Hills, chaplain; Mrs. Gordon Wald, sergeant-at-arms; and Mrs. Eva Gaylord, historian.

Reckers to Celebrate 40th Year of Service For Illinois Bell Co.

Preston J. Reckers, Sr., district plant clerk in the Waukegan office of the Illinois Bell Telephone company, will celebrate his 40th service anniversary with the company on August 23.

Reckers was employed as an office boy in 1915 and later held the position of payroll clerk, cable tester's helper, clerk and chief clerk. In 1947 he was appointed district

Preston J. Reckers, Sr.

plant clerk at Evanston and the following year was transferred to the Waukegan District. Originally from Dayton, Ky., he attended Crane High school in Chicago and Bryant and Stratton Business college.

Reckers and his wife, Marjorie, live at Channel Lake. They have three sons, Preston, Jr., Norman and Albert and a daughter, Marjorie. They have five grandchildren.

LAKESIDE COUNCIL GIRL SCOUT NEWS

Seven girls from Intermediate Troop No. 6 of Grass Lake recently enjoyed a two day camp-out at Zion State Park. Mrs. Belle Hribar and Mrs. Louise Reichenbock were the chaperones for the girls.

The scouts enjoyed hikes, swimming, nature trails, and had an opportunity to complete some of the requirements for their Tree Badge. The troop has been meeting every other week during the summer and has nearly completed their Rambler Badge.

One week during the month of October will be set aside as Girl Scout Cookie Week for the Lakeside Council Area. At a meeting held Aug. 9 in the home of Mrs. Venita Cowell of Round Lake, it was decided the Brownies will sell mixed nuts, and the Intermediates will sell cookies.

The exact dates and further plans will be announced later.

CHANNEL LAKE CHICKS GUESTS OF ANTIOCH UNIT HOME BUREAU

Members of Antioch Unit of Home Bureau entertained Channel Lake Chicks 4-H Girls at a pot-luck picnic dinner at Fox River park Aug. 11. Forty-six members and guests were present to enjoy the dinner which was served at noon. Cards were played during the afternoon.

Auxiliary News

Entertain Past Presidents

Antioch Unit 748 American Legion Auxiliary entertained past presidents of the Unit Friday evening. Fourteen past officers were present to enjoy the potluck dinner served at 6:30 p. m.

A short business session followed and cards were played. Each guest was presented with a gift from the unit. Dorothy Horan and Corrine Garlucci were in charge of the refreshments and entertainment.

Delegates to Convention
The thirty-fifth annual convention of the American Legion Auxiliary, Department of Illinois, will be held in Springfield, Illinois, Sept. 1, 2, and 3, 1955. Delegates from Antioch unit to attend the convention are Pearl Anderson, Lucy Himmens and Del Jahneke.

Regular Meeting
The next regular meeting of Antioch unit will be held Aug. 26, in the Legion Home. The new officers for 1955-56 will be in charge of the meeting. Installation is being held jointly with the Legion Post Thursday, Aug. 18, (tonight) at 8-p. m. in the Legion Home.

VOLUNTEERS OF AMERICA

ANNUAL TAG DAY AUG. 20
The Volunteers of America annual Tag Day is scheduled for Saturday, August 20.

The organization is ever alert to maintain and improve the record of service they have compiled during the last 59 years. The little heart emblem symbolic of the tag day these many years will be offered by the young people to the public to help in continuing their work.

Those wishing to help may meet Laura Swanson at the Village hall at 9 o'clock Saturday, and get their supplies. There are cash awards for those wishing to aid this cause.

NEW SERMON SERIES AT BAPTIST CHURCH

Beginning next Sunday evening, August 21st and continuing through September 11th, Pastor Arthur Martindale will bring a new series of sermons on "Men Who Wished to Die and Couldn't".

The Baptist Bible Church temporarily meets at the Progressive Club building on Cedar Lake Rd., behind the H & H Hardware in Round Lake Beach. A friendly welcome awaits you. The morning service begins at 11 a. m. and the evening service at 7:30 p. m.

Among the 1,100 new midshipmen at the U. S. Naval Academy at Great Lakes is Dennis W. Brezina, son of Mrs. Bessie Boyd of Park avenue, Antioch. Brezina graduated from Grant Community High school in 1953. He is a member of the fourth or "plebe" class scheduled to graduate in 1959. He is now receiving indoctrination in advance of the regular academic year which begins in September.

JACK WOODS HOME FROM HOSPITAL

Jack Woods who underwent major surgery at Michael Reese hospital, Chicago a month ago came home last week and is convalescing at his home at Lake Marie.

Arlene Cribb Welcomed to Capital of U. S. A.

Arlene Cribb, queen of the Antioch American Legion Post No. 748, is welcomed to the nation's capital by Rep. Peter Mack, Jr., (D-Ill.) during her visit to the Capitol building.

She won a three-day all-expense-paid trip to Washington for herself and her mother, Mrs. Mario Cribb, when she was named Queen of the Antioch post.

Arlene will reign as Queen over all activities in Antioch sponsored by the American Legion until next year. During her visit in Washington she also visited the Washington monument, and the Lincoln and Jefferson memorials.

Rosenstock Is Fire Control Specialist on New "Sky Sweeper"

Chief Warrant Officer Francis C. Rosenstock, of Antioch, has assumed duties as Fire Control Specialist with the 425th Antiaircraft Artillery Battalion at Camp Stewart, Georgia.

Mr. Rosenstock, whose wife and son reside in Union Grove, Wis., is the son of Mrs. C. E. Rosenstock of Grass Lake, Antioch.

The warrant officer came to Camp Stewart last week from assignment at Fort Bliss, Texas, where he had completed a course of technical training with the Antiaircraft Artillery and Guided Missiles Branch of the Tactical Artillery school.

In active military service since 1942, Mr. Rosenstock served in Europe during World War II with the 437th Antiaircraft Artillery Battalion and the 319th Infantry regiment. From 1951 to 1953, he served in Korea and Japan with the 10th Infantry regiment, 24th Infantry division. He has received the Bronze Star medal for Valor and the Purple Heart, amongst other decorations.

A graduate of Antioch High School, Mr. Rosenstock is Fire Control Specialist for the potent new "Sky-sweeper" antiaircraft weapon. The recently activated 425th AAA Battalion to which he has been assigned at Camp Stewart will soon be engaged in training its members in the use of the new radar-controlled 75-millimeter gun, in preparation for assignment to an onsite location where the unit will provide protection to a vital defense installation of the country.

Rummage Sale Saturday

The Woman's Society of Christian Service of the Methodist church will sponsor a rummage and home bake sale in the dining room at the Masonic hall, Antioch Saturday, August 20. Rummage and bakery goods will be greatly appreciated by the ladies. All parents of church school children are asked to contribute to the bake sale.

The coal used to make a year's American output of steel would require a train 15,348 miles long.

Finding of Tombstones in Downtown Antioch Is No Longer Mystery

The finding of two tombstones where excavation was taking place for the new Shell Service station at Lake and Broadway led to a lot of speculation as to how they arrived there and whether or not the bodies of two children were buried there, but now the mystery seems to have been solved.

The stones listing the death of young sons of Charles A. Haynes and the years of 1858 and 1859 were but a little bit larger than the square street posts commonly used. They were but a few inches under the earth and lying along side each other, giving indication they had been piled there rather than erected.

Since it was not uncommon for families to maintain private burial plots one hundred years ago, it was thought that perhaps the children had been buried there, although no graves or bones could be found.

Following on a tip by Mrs. Walter Selter, it was learned that a monument maker, James Welch, had occupied the house which was moved when Broadway was opened, and that although Welch had his plant on Depot street in the Huber

building, he brought home spoiled work and other odd bits of stone for use as stepping stones and steps. Other old timers of Antioch were consulted and all recalled Welch and the stones about the house, so it seems that the "mystery" is solved.

Carol Jean Hribar, daughter of Mr. and Mrs. Lester Hribar of Indian Point, returned home Friday from the Shriners hospital, Chicago, where she had been a patient since May.

Mr. and Mrs. N. E. Sibley returned home Monday after spending several days as guests of Misses Mary and Deedie Tiffany at Copper Harbor, Mich.

Antioch, Ill.

Arlene Cribb, Legion Queen, Relates Trip To Washington, D. C. as American Legion Guest

(Editor's Note:—Arlene Cribb, daughter of Mr. and Mrs. Harlo Cribb of Depot st., Antioch who was elected American Legion queen recently has written a report of her trip to Washington, D. C., as the award and for her victory in the queen contest. Her report follows:)

"The night of July 10th was one of the biggest moments in my life for it was then that I was crowned the Antioch American Legion Queen of 1955. For my prize I was awarded an all expense-paid trip to Washington D. C. for my mother and myself. We decided to take our trip on August 8th and Mr. W. V. Lahti made all the arrangements with the airlines, hotel and Mrs. Lowe, Secretary to the National Adjutant to the American Legion. "We boarded the new Capital Airlines plane, the "Viscount" at Midway Airport at 12:45 on Monday and my dream began to come true. The Capital Viscount is really a new marvel in flying for there is hardly any noise or vibration and you hardly knew that you were off the ground.

"Two hours and twenty minutes later we had reached our destination and we landed at Washington's National Airport at approximately 4:00, Washington time. Our reservations were at the Statler Hotel, and when we arrived there I called Mrs. Lowe.

Attend Play at Amphitheatre

"That evening we attended a play called "Phenix 55" starring Nancy Walker at the Carter Barron Amphitheatre. After the play Mrs. Lowe drove us over to the new Woodner Apartments which is one of the biggest and most beautiful in the world. From the top she pointed out various places throughout the city and it was rather breath taking at night. Next we stopped at Mrs. Lowe's apartment and had a late snack. This gave all of us an opportunity to become better acquainted. We found Mrs. Lowe to be a very nice and interesting person and she expressed as much interest in the Queen Contest as we do here in Antioch.

"On Tuesday morning after breakfast we walked to the White House which was only three blocks from our hotel. There we viewed the beautiful rooms in all the splendor of colonial days. Then we toured the Washington Monument which towers 555 feet 5 1/2 inches in the sky. It is the tallest monument of its kind in the world and from its top we could see most of Washington.

See American Legion Building

"Lunch followed and then we went to the American Legion Building to meet Mrs. Lowe and do some more sight-seeing. Here we were introduced to the Commander and some of the members of the staff. We were also shown around the lovely seven story building and several of the different offices were carefully explained to us. This building of the Legion employs about 300 people.

"Mrs. Lowe then took us to the Smithsonian Institution where many interesting articles were on display. Among those that we saw were the Wright Brothers' first plane and the plane of Charles Lindbergh. Also models of all the presidents' wives and the gowns which they wore at the various inaugural balls. There were many things of high interest that we didn't have time to see.

Go to Botanic Gardens

"From there we went to the Botanic Gardens which had a Tropical Garden and many other plants and flowers. Then about 2:00, Mrs. Lowe took us to the New House Building where my mother and I were introduced to Peter Mack, who is a representative from our state. I then had my picture taken with him and after that he personally showed us through the House of Representatives. This was a great thrill for me because he actually took us right down on the floor of the House and pointed out the very spots where the bullet holes were from the Puerto Rican shooting. He explained everything there and let me sit in the speaker's chair. He then arranged for us to take a tour of the entire Capitol building. I was particularly impressed by the amazing architecture and the paintings throughout the enormous place. We even saw the room where Davy

Crockett and other famous Congressmen used to conduct the business of the Nation.

"Then out to General Lee's home in Arlington National Cemetery. The General's home was built in the grand style of the early days and was both spacious and lovely. In the cemetery we saw the Tomb of the Unknown Soldier and one of the never ceasing guards walking his post. The Tomb was decorated with a beautiful wreath which had been placed there by the Girl's Nation. Mrs. Lowe explained to us about the Memorial Day services held each year in the amphitheatre by various Veterans' Organizations. All of Arlington was so quiet and lovely that it made you very, very proud of all those there who helped establish such a wonderful country.

"We stopped at a lovely spot for dinner and then drove past the huge Pentagon which employs thousands of people who handle the military affairs of the country. In the evening we saw a Cinerama movie which we enjoyed very much.

Tour Bureau of Printing

"Wednesday we toured the Bureau of Printing and Engraving and the F. B. I. In the afternoon we took a cruise on the Potomac river to the home of George Washington at Mount Vernon. This mansion and huge estate fully illustrates the beauty of our rich forefathers. However, its true beauty could never be explained in words.

"After breakfast on Thursday morning we saw the old Ford Theatre where Lincoln was shot and then we did some shopping. In the afternoon, Mrs. Lowe drove us to the Lincoln and Jefferson Memorials which contain big statues of these men and their famous speeches carved on the interior wall. We also saw the Geographic Building where various illustrations are on display which they use in their magazine. We were then taken to the Franciscan Monastery and after touring this beautiful church and garden we drove past the Catholic University of America and out at Great Fall Park. This park is 15 miles out in the Virginia countryside and along the way we could see the canal which General Washington engineered. At the park we watched the Potomac flowing over the rapids.

"Georgetown was our next stop and although it was only a few minutes out of the city of Washington, it made us feel as though we were about 150 years back in the time of our country. All of the colonial beauty existed there now as it had years ago. Dinner at the Neptune Room came next and then we attended the play "The King and I."

Visit Library of Congress

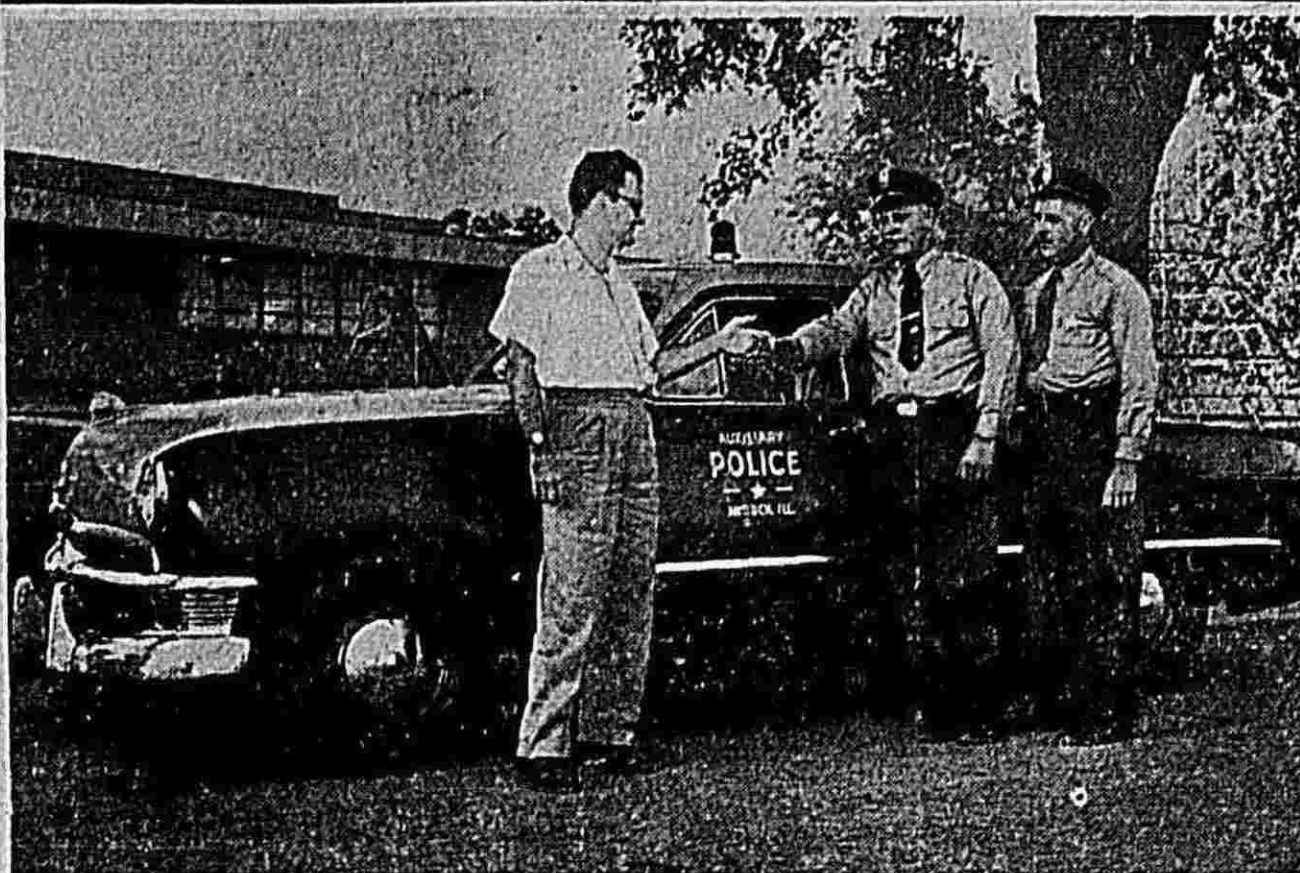

"Friday, our last day in this city, we visited the Library of Congress which is the largest in the world. It contains many originals such as The Declaration of Independence, the first Bible, first editions of old songs and hundreds of other literary things. We then finished up some of our shopping and went to the hotel. We checked out and took a cab to the airport. At 3:15 we boarded a T. W. A. plane and as the plane took off we caught our last glimpse of our wonderful Nation's capital. I know that I shall never forget all the wonderful things we saw or did there and what a great honor it was for me to receive this trip."

"ARLENE"

Eight Girl Scouts and their leaders, Rose Johnson and Virginia Schmalz, of Chicago, camped on the farm of Harry Schmid, near Channel Lake for the week end and attended the Wilmot fair.

Auxiliary Police In Antioch Given New Squad Car

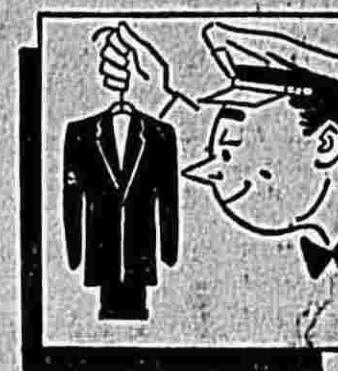

Antioch's auxiliary police force now has its own squad car as the result of a gift of a used car to the force by Robert Lindblad, owner of the E and L Pontiac Sales Co.

Here Lindblad is shown handing the keys of the car over to Capt. Ray Toft while Lt. Art Meyer watches. The car is outfitted with signal light and identification sign. (Warren Polley Photo)

A son was born Monday to Mr. and Mrs. Leon Hester of Antioch at Victory Memorial hospital.

**TV
Stuff**

By JACK SEIB and JOHN SHERBET

Scientists report that the earth is moving into its regular eleven year cycle of sun spots; meaning that there exists unusual eruptions on the sun and these affect short wave and television signals.

Because this interference "bounces" TV signals back and forth over long distances, you can expect to pick-up ghost pictures and short wave signals and voices from distant states and even from Europe and South America. The low numbered channels will have the most trouble in fringe and near-fringe areas.

We'd like to know at COURTEOUS TV the number of times this occurs in this area, and would appreciate a phone call (Antioch 144) or post card about it. Surveys are being made about these occurrences with the possibility that some day they can be used to advantage.

in town!

● Get the leader in looks

Only Ford brings you the styling of the famous Thunderbird. Note the low roof line, the long body, the flat rear deck... the fresh clean beauty of Ford's years-ahead design.

● Get the leader in V-8's

You get V-8 power from the V-8 leader when you buy Ford. You get Trigger-Torque "GO"... quick response in emergencies... a new feeling of security and confidence.

● Get the leader in ride

You'll find even the smooth roads seem smoother with Ford's Angle-Poised ride. Front springs are tilted back to absorb bumps from the front as well as up and down, to cushion your ride.

● Get a top dollar trade

Now's the time to buy a brand-new '55 Ford. Your present car will never be worth more! And our leadership sales pace puts us in position to make you an extra-good deal right now!

● Get long, low terms

High trade-in is only part of our "deal" when it comes to buying a Ford. Ask about our long-term payment plan. You can tailor your payments down low! It's convenient, too!

● Get top resale value

For years, Ford has returned more of its original cost at resale than any other car in the low-price field. Ford's worth more when you buy it... worth more when you sell it!

● If you are interested in a used car, be sure to see our or other used car selections!

Come in for the deal of your life during our Summer Bandwagon Sell-a-bration!

Miss Jane Allyn of Zion, Ill., visited her cousin, Miss Judith Dix, the past week.

Mrs. Opal LaRose of Kenosha called on Mrs. Byron Patrick Monday evening.

Library News

The exotic, tropical lands to the south of us are described in the travel book, "Standard Guide to Mexico and the Caribbean," by Lawrence and Sylvia Martin. Mexico offers infinite variety in climate and scenery and the Martins give detailed information to the tourist who wishes to travel by car. The multitude of islands in the Caribbean Sea offer winter vacation lands with exciting names—Guadeloupe, Jamaica, the Grenadines, Barbados, the Antilles. Many of the islands are under British, French or Dutch rule, and the Martins advise about passports, currencies, clothes, special trips, gift buying, what to see and what to avoid. "Standard Guide to Mexico and the Caribbean" was presented to the Antioch Township Library in memory of Mrs. Chase Webb.

In "Conquest of Space," Willy Ley, describes the world of outer space which man of the future may some day visit. Each section is fol-

lowed by pages of parallel illustrations. Many of the pictures are beautiful full color paintings by Chesley Bonestell. This handsome book is fast becoming a classic in the field of space literature and was given to the library in memory of Victor Bown.

We're slicing
a melon with you...

1. You Get A Profit-Sharing Bonus On The Trade-In Deal
—because we've stepped up our allowances to an all-time high
2. You Get A Bonus In The Buy You Make
—because Buick is the thrill of the year in style, power, performance, value
3. You Get A Bonus On The Resale
—because a Buick always resells high—brings you more money when you trade it in

WHAT happens when a business has a really great year?
A bonus is declared—right?

Well, sir—get set for a windfall, because this is more than Buick's greatest year. This is the *greatest*.

Not only is Buick outselling every car in America except the two most widely known smaller cars—we're breaking every sales record in our history. Right now we're past the mark set in our best full year—and still going great guns.

So we're slicing a melon with you in the form of an all-out trade-in allowance—a profit-sharing bonus deal that beats even the big trades we've been giving all year. After all, we've gone way beyond our expected volume—and can now afford to stretch our trade-in allowances to practically our break-even point.

And that puts you more easily than ever before in the driver's seat of the hottest-selling Buick in history...

Bonus Beauty in Hardtops

Even the new hit in hardtops—the 4-Door Riviera—is included in our profit-sharing bonus deals today. Shown here is the 236-hp CENTURY 6-Passenger 4-Door Riviera, Model 63. Also available in the low-price SPECIAL Series as Model 43.

The Buick with the boldest, freshest styling of the times—with the snap and ginger of record-high V8 power—with the level buoyancy of the all-coil-spring ride—and with the electrifying performance of Variable Pitch Dynaflo,* world's first and only transmission using the switch-pitch principle of the modern plane's propeller.

Better come in and visit us tomorrow—today, if you can—and see for yourself that the thrill and the buy and the deal of the year is Buick, hands down.

*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

Thrill of the year is Buick—
Biggest-selling Buick in History! (So we're trading high, wide—and then some!)

Here's why we say New Chevrolet *Task-Force* Trucks are the most **Modern** trucks for any job today!

WORK-STYLED LIGHT- AND MEDIUM-DUTY MODELS have their own fresh, functional appearance.

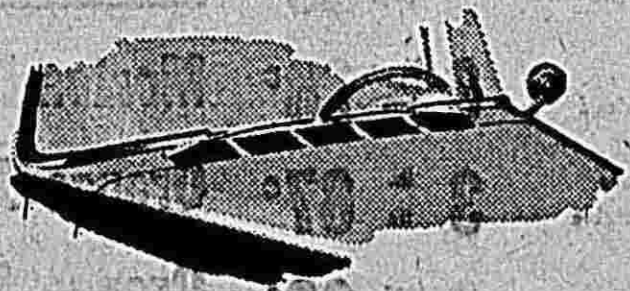

WORK-STYLED HEAVY-DUTY MODELS look every bit as husky, efficient and modern as they are.

PANORAMIC WINDSHIELD sweeps around the corners to give you a wider, safer view of the road ahead.

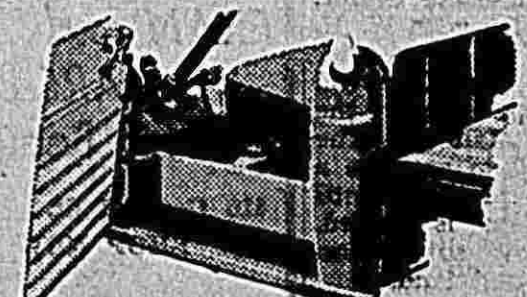

REVOLUTIONARY NEW L.C.F. (Low Cab Forward) is much lower than former C.O.E. models yet it offers C.O.E. maneuverability.

HIGH-LEVEL VENTILATION provides a more constant supply of outside air.

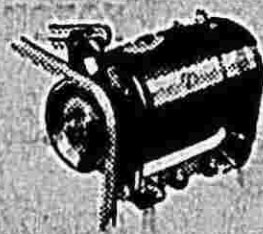

OVERSQUARE DESIGN means less piston travel... longer V8 engine life.

NEW CONCEALED SAFETY STEP stays clear of snow, ice and mud for greater safety regardless of the weather.

Plus... Five new high-compression valve-in-head sixes—the most advanced sixes in the industry! New, roomy Flite-Ride De Luxe cab—the truck driver's "dream cab!" Huge new Full View rear window (optional at extra cost).

NEW 12-VOLT SYSTEM delivers double the punch for quicker starting and finer performance.

NEW CAMEO CARRIER is the flagship of the Chevrolet truck fleet! It's the first truly beautiful truck ever built!

These are just a few of the reasons why new Chevrolet trucks are the most modern trucks for any job today. Come on in and see why these great new trucks will save hours and dollars on the job! Come see why anything less is an old-fashioned truck!

Year after year... America's best-selling truck

Study Finds State's Two Car Purchases Accelerating Greatly

Illinois' wives and teen-agers, tired of being stranded when their breadwinner drives the family car to work, are sparking a statewide two-car boom, according to a special survey by Universal C. I. T. Credit Corporation, the nation's largest independent automobile financing firm.

The survey was conducted by the heads of the company's 40 division offices throughout the nation. Twenty-three of the company's branch offices are in Illinois. In addition to observations of these experienced executives, the firm said, the survey included interviews with the hundreds of automobile dealers served by Universal C. I. T.

"Our survey disclosed that the major reasons behind the purchase of a second car," said vice president H. W. Tousey of Chicago, "are the trend to suburban living and the need for a second car for shopping and taking the children to school when the husband uses the other car to get to work."

Another important reason is that millions of teen-agers are attaining driving age and an increasing number are able to afford automobiles. This factor will become even more important, he pointed out, when the huge "war baby" population reaches driving age in the 1960's.

There are about 4,500,000 two-car families in the United States. The credit executive estimated that about 13 per cent of Illinois' car-owning families have more than one car. The percentage probably will double over the next five years, he declared.

Most of the state's two-car families are white collar or professional workers and farmers, although two-car ownership is widespread among skilled workers, the survey showed.

Average annual income of two-car families is between \$7,000 and \$10,000 in Illinois, the survey showed.

About two-thirds of the new cars bought by two-car families are bought on installment credit, the survey showed, and more than three-fourths of the used cars are purchased on credit. The Universal C. I. T. executive rated the credit standing and financial responsibility of the state's typical two-car family unusually high.

In general, the state's families "graduate" into the two-car class by keeping their "old" car instead of trading when they get the new one. A smaller proportion buys a used car as a second car.

Another result of the trend is a surge in the popularity of station wagons, "small" cars and convertibles, the survey showed.

Unwed Girl Charged With Killing Twins At Fox Lake Saturday

Louise Marie Hess, 18, Chicago, may be charged with murder following the finding of bodies of her twin boys at the home of her grandparents in Fox Lake. The girl was found ill by the grandparents and taken to St. Therese hospital for care.

While at the hospital the girl admitted giving birth to a boy which she said fell in a tub and was dead at birth. The body was found in a water filled pail and the coroner said death was due to drowning.

On Tuesday, police were called again to the home of the grandparents where the body of a twin baby was found hidden in a bedroom, a stocking stuck in its mouth and a stab wound in its chest.

Seek Drainage Settlement
Max Horwitz, real estate dealer, was expected to confer with W. H. Curnes of Depot st. on the matter of drainage from the Oakwood Knolls subdivision across the Curnes land along Main st. The village board refused to approve a unit of the Horwitz property until the drainage problem is solved. Water from the new subdivision pours down on Curnes' land.

Adays Have New Son
Victory Memorial hospital records list the birth of a son to Mr. and Mrs. William Aday of Antioch on Saturday.

July Milk Will Bring \$3.44 Hundredweight

Dairy farmers who sold milk in the Chicago market during July will receive \$3.44 a hundred pounds for this month's production.

This price is paid for 3.5 per cent butterfat milk which is delivered in the 70 mile zone.

The July prices average 14 cents higher than the June prices and are five cents above the July 1954 level.

The milk prices were announced by the Federal Milk Market Administrator's office in Chicago.

The July prices are beginning to reflect seasonal increases. Normally the fall milk prices increase to a peak in October or November.

Car Damages Property
A hit-skip motorist driving a green Chevrolet sedan did considerable damage to the property of Frank Fay on Grass Lake rd. in the Jackson subdivision Sunday. The car left the road, hit some boulders in a driveway and then knocked three mail boxes down. The driver and his companion stopped and looked at the damage and then drove on before county sheriff's police arrived.

Montana, with 110,860,000,000 tons, has the greatest recoverable reserves of coal in the United States, according to the latest statistics. West Virginia, the nation's leading producer of bituminous coal today, has recoverable reserves of 52,881,000,000 tons, or enough coal to last more than 450 years at the present rate of production.

Harold E. Cardiff Called To Decatur by Death of Sister
Harold E. Cardiff, proprietor of Cardiff's Restaurant in company with his brother, Kelly Cardiff and family of Duluth, Minn., left this afternoon for Decatur, Ill., due to the sudden death of their sister, Mrs. Irene Fencken of that city.

Most Successful Salesman
Ray Bruhn, sales manager at the Drije Chevrolet, Inc., was recently recognized by General Motors as the most successful used car salesman in the Antioch area. He received a number of valuable prizes.

40,000 More Homes to Get Natural Gas from No. Ill. Gas Co.

Northern Illinois Gas company reported today to the Illinois Commerce Commission that letters would be mailed out this week to approximately 40,000 customers authorizing them to use natural gas for space heating under the terms of the Commission's gas restriction order.

Marvin Chandler, president of Northern Illinois Gas, said that the new releases were made possible by the order of the Federal Power Commission announced yesterday approving the request of Natural Gas Storage Company of Illinois to increase the capacity of its underground gas storage project near Herscher. Involved in this expansion project is the construction of 31 miles of 36 inch main from Herscher to a new point of connection with the Texas Illinois Natural Gas Pipeline Company's pipeline south of Joliet. The new authorizations, Chandler said, are in addition to the 30,000 issued by the company early in April of this year. The current release covers all

customers who had applied for this service on or before August 22, 1953, for existing homes and on or before December 18, 1953, for new homes. Gas heat authorizations are issued only for single family dwellings and are allocated between old and new homes on the basis of the number of unfilled requests pending in each category. Those authorized have 12 months in which to complete their installations.

Chandler said that approximately 95,000 customers still will remain on the waiting list. Much of the demand, he said, reflects the very high rate of new home construction in the suburban territory. He emphasized that the company will continue to make every effort and spare no reasonable expenditure to make gas for space heating available to all applicants as soon as possible.

Hearing on Re-zoning
There will be a public hearing at 1:30 p. m. Friday, Aug. 26 before the Lake County Zoning Board of Appeals in the Antioch village hall on the proposal of Edward A. Voss and Gertrude Voss to rezone land on the north side of Grass Lake rd. west of Grass Lake from farming to residential. It is said they want to subdivide the L-shaped 60 acres opposite the Lotus school.
